From the Josper

All of our steaks and burgers are cooked on our Josper Grill.

Coveted for its intense heat and superb charring qualities this unique piece of equipment cooks with charcoal at temperatures over 400°C.

This seals the meat and the charcoal imparts characterful smoky flavours resulting in a unique tasting experience

- guaranteeing grilling perfection, maximum flavour and moisture retention.

Burgers

To prepare our mouth-watering beef burgers, we hand-press the finest locally reared, grass-fed Scotch beef and we cook to medium-well (therefore traces of pink may remain, please ask your server if you wish yours cooked through) over charcoal for the juiciest & tastiest burgers around.

Our burgers are served in freshly baked Japanese milk bun.

They're served with lettuce, tomato & skin-on fries - unless otherwise specified (substitute Sweet Potato Fries +£2.50).
