#### SALSA ARRERA

A simple grind of blistered Serrano chillies with aromatics, fierce heat & green pepper flavour.

#### SALSA VERDE

It's all about the green apple acidity of ripe tomatillo, the heat of untreated chillies, & the garlicky sting right up front.

#### TOMATILLO CHIPOTLE

An interesting blend of fresh green tomatillo & smokey chipotle give this salsa the colour of rust with a tart green flavour.

#### CAPE GOOSEBERRY SALSA

Cape Gooseberries (Physalis) add more sweetness & a concentrated 'tang' than tomatillo, are blended with smokey chipotle chiles.

#### SALSA MACHA

An oil-infused salsa, with cashews, garlic, ancho, guajillo & chilli de arbol, an intoxicating & delicious salsa.
